By students, for students.

ITE Student Leadership Summits are planned entirely by students. Through leadership and professional development, they guide future transportation professionals.

Undergraduate and graduate students attend, and ITE's professional members support the summits through sponsorship and participation in the program.

In 2027, the ITE University of North Florida Student Chapter hosts the Florida–Puerto Rico District summit at UNF in Jacksonville, around the theme **Building a Career in Transportation.**

ITE AND OUR HOST

A community of transportation professionals

ITE, A Community of Transportation Professionals, works to improve mobility and safety for all transportation system users, helping to build smart and livable communities.

Founded in 1930, ITE is a volunteer-driven association of more than 18,000 engineers, planners, consultants, educators, researchers, technologists, and students working in more than 78 countries.

ITE University of North Florida Student Chapter (ITE UNF) is a volunteer-run student community who are interested in exploring or aspiring to be future transportation professionals. We are affiliated with the ITE Florida–Puerto Rico District.

ITE MISSION

Advancing transportation knowledge and practices for the benefit of society.

ITE VISION

To be the transportation organization of choice.

VENUE

THE PROGRAM

Three ways students grow, with you in the room.

01

Explore career paths

A keynote speaker, a panel with audience Q&A, and a tour of UNF show students where a transportation career can lead.

02

Build career-ready skills

Workshops cover career readiness, meaningful connections, and turning school work into projects. Breakouts cover resumes, communication, interviews, and choosing a path.

03

Connect with employers

Networking on both days, resume reviews, and a Saturday Career Fair put sponsors face to face with students.

THE SATURDAY FINALE

ITE Traffic Bowl

Jeopardy-style rounds on the MUTCD, the Green Book, and safety standards.
